

Geo tagging - Open Street Mapping of Panchayat assets

NSS unit of Adi Shankara Institute of Engineering and technology completed the open street mapping of Kalady, Kanjoor, Sreemoolanagaram, Kadangalloor, Ayyampusha and Koppam panchayath. They mapped the government assets and natural resources in open street map and panchayat authorities provided the completion certificate. This work was done for Krala satte IT mission in connection with their Mappathon project.
