

Signora

Organized by IEEE WIE AG ASIET

Signora- IEEE Women in Engineering Affinity Group of SB, Adi Shankara Institute of Engineering and Technology, Kalady on 29th June 2023.

IEEE WIE AG ASIET orchestrated SIGNORA, a remarkable event pulsating with a great commitment to nurturing and championing women's empowerment in the realm of engineering. The session aimed to raise awareness about the WIE scholarship and awards, highlighting the opportunities available for women in the industry. Hridya A S, the WiE Coordinator, IEEE LINK, delivered an inspiring talk that captivated the audience, leaving a lasting impression and igniting a sense of empowerment in everyone. The event, held on 29 June 2023, at 7:00 PM, embraced the online platform of Google Meet, drawing 22 IEEE members who actively participated and contributed to its success.
