### MENTORING SESSION-I

**Mentor:** Hareesh Venugopal (batch:2003-2007)

**Mentees:** S8 students (batch: 2018-2022)

**Date:** 12/8/2020

**Time:** 7:00 PM

**Venue:** Gmeet ( [meet.google.com/soq-rbvn-qvj](https://meet.google.com/soq-rbvn-qvj) )

### Report

The alumni mentor Hareesh Venugopal expressed his excitement to be a part of the mentoring program and their commitment to supporting the mentee's development. Volunteer from the mentees conveyed their appreciation for the opportunity and their eagerness to learn from the alumni mentor's experiences. The mentees discussed their short-term and long-term goals and identified specific areas where they sought guidance and support from the alumni mentor. The alumni mentor shared his own career journey, highlighting key experiences, challenges, and achievements. He discussed about his learning journey at ASIET, career transitions, and various roles they have held and also emphasized the importance of continuous learning, networking, and seizing opportunities. Some of the mentees had raised a set of questions and concerns to address during the session. They sought advice on topics such as career planning, skill development, industry trends, networking strategies, work-life balance, and overcoming obstacles. The alumni mentor provided insightful responses, drawing from their own experiences and offering practical guidance.

### Report

### Report

The objective of the alumni mentorship program was to foster a meaningful and supportive relationship between the alumni mentor and the mentees, enabling the mentees' personal and professional growth. The mentorship aimed to provide guidance, share experiences, and offer valuable insights to assist the mentee in achieving their goals and navigating their career path. The alumni mentor and mentee introduced themselves, discussed their expectations, and established rapport. During the mentorship session, the alumni mentor shared their own

experiences, challenges faced, and lessons learned throughout their professional journey. They provided guidance on various topics, such as career planning, skill development, networking strategies, work-life balance, and industry insights. The alumni mentor offered practical advice, resources, and recommendations to assist the mentee's growth and development. The alumni mentorship program provided an invaluable opportunity for the mentee to benefit from the experience, wisdom, and guidance of an accomplished alumni mentor. The mentorship relationship fostered personal and professional growth, empowering the mentee to pursue their aspirations with greater confidence and clarity.

## MEET THE MENTOR

**Mentor:** Anjoe George, 2008-2012, CSE, Sales Manager, Amigo Medical Systems

**Mentees:** S6 CSE-AI

**Date:** 20 March, 2023

**Time:** 10:00 am

**Venue:** Room No. F21

### Report

Anjoe George, an esteemed alumni from the CSE department, conducted a mentoring session emphasizing the benefits of concentrating on studies and fostering career growth. Through personal anecdotes and practical advice, Anjoe motivated students to prioritize academic excellence, highlighting its role in opening doors to career opportunities and equipping students with essential skills. Stressing the importance of mentorship and professional development, he encouraged students to seek guidance from faculty and industry professionals. His session inspired students to strike a balance between academic pursuits and extracurricular activities while pursuing their career aspirations with determination, leaving a lasting impact on their academic and professional endeavors.

## ELECTRONICS AND COMMUNICATION ENGINEERING

## Mentoring Session I

**Mentor:** Akhil S Pai, 2008-2012 batch, ECE

**Mentees:** S8 Students (2017-2021 Batch)

**Date:** 9/2/2021

**Time:** 7 pm

**Venue:** Gmeet [meet.google.com/iub-hbbm-hoy](https://meet.google.com/iub-hbbm-hoy)

Akhil S Pai was invited to express their interest in participating in the mentoring program. Mentors were selected based on their expertise, experience, and willingness to support alumni. Mentor-alumni matching was done considering the mentees' career interests, goals, and preferred areas of focus. The mentoring program was introduced to alumni through various communication channels, such as emails, newsletters, and social media. An orientation session was conducted to provide mentors and alumni with an overview of the program, expectations, and guidelines. Mentors and alumni were encouraged to establish a mutual understanding of their roles and responsibilities. Mentor shared their knowledge, expertise, and experiences with alumni mentees to help them develop and enhance their professional skills. Mentors provided guidance on industry trends, networking strategies, career advancement opportunities, and relevant resources.

Mentees were encouraged to take advantage of workshops, conferences, and other professional development events. Mentor supported alumni mentees in expanding their professional networks by making introductions, recommending connections, and providing networking guidance. Mentor encouraged alumni mentees to engage with the university/organization's alumni community and participate in relevant events and activities.

Regular evaluations were conducted to assess the effectiveness of the mentoring program and collect feedback from both mentors and alumni mentees. The mentoring program for alumni at ASIET by Akhil S Pai, successfully provided

support, guidance, and professional development opportunities to alumni. Through the mentorship relationships, alumni mentees gained valuable insights, enhanced their skills, expanded their networks, and achieved their career goals. The program fostered a sense of community and engagement among alumni, strengthening their ties with the university/organization. The feedback and insights gathered from this program will be used to further refine and improve the mentoring initiative for future
