REPORT ON INTRODUCTION TO VB.NET

The "Life After BTech" event organized by CSI SB ASIET was aimed at providing valuable insights and guidance to BTech graduates on the soft skills and career paths available to them post-graduation. The event, held on May 24th, 2023, was conducted online via Google Meet, enabling widespread participation from students.

- Date: May 24th, 2023
- Platform: Google Meet
- Speaker: Krishnaprasad V, Test Lead, Juniper Networks, Bangalore
- Alumnus of ASIET: 2003-2007 IT Batch

Event Highlights:

Krishnaprasad V, an esteemed alumnus of ASIET, shared his valuable insights and experiences with the attendees. As a Test Lead at Juniper Networks, Bangalore, Krishnaprasad provided a unique perspective on the career journey after completing a BTech degree.

Key Points Discussed:

1. Career Opportunities: Krishnaprasad elaborated on the diverse career opportunities available for BTech graduates across various industries, emphasizing the importance of exploring different fields to find one's passion.
2. Soft Skill Development: He highlighted the significance of continuous learning and skill development in today's dynamic job market, urging students to acquire both technical and soft skills to enhance their employability.

3. Industry Trends: Krishnaprasad discussed current industry trends and technological advancements, shedding light on emerging fields such as artificial intelligence, data science, and cybersecurity, which offer promising career prospects for BTech graduates.

4. Networking and Professional Growth: He underscored the importance of networking and building professional relationships, citing personal anecdotes and experiences to emphasize the role of networking in career advancement.

Conclusion:

The "Life After BTech" event was a valuable platform for students to gain insights into the opportunities and career options available to them post-graduation. Krishnaprasad V's expertise and firsthand experiences provided attendees with practical advice and guidance to navigate their career paths effectively.

The screenshot shows a Zoom meeting interface. The main window displays a slide titled "Higher Studies" with the following content:

Higher Studies

Aim for premier institutes
- more than the course, connections and alumni network helps!

M Tech | MS:

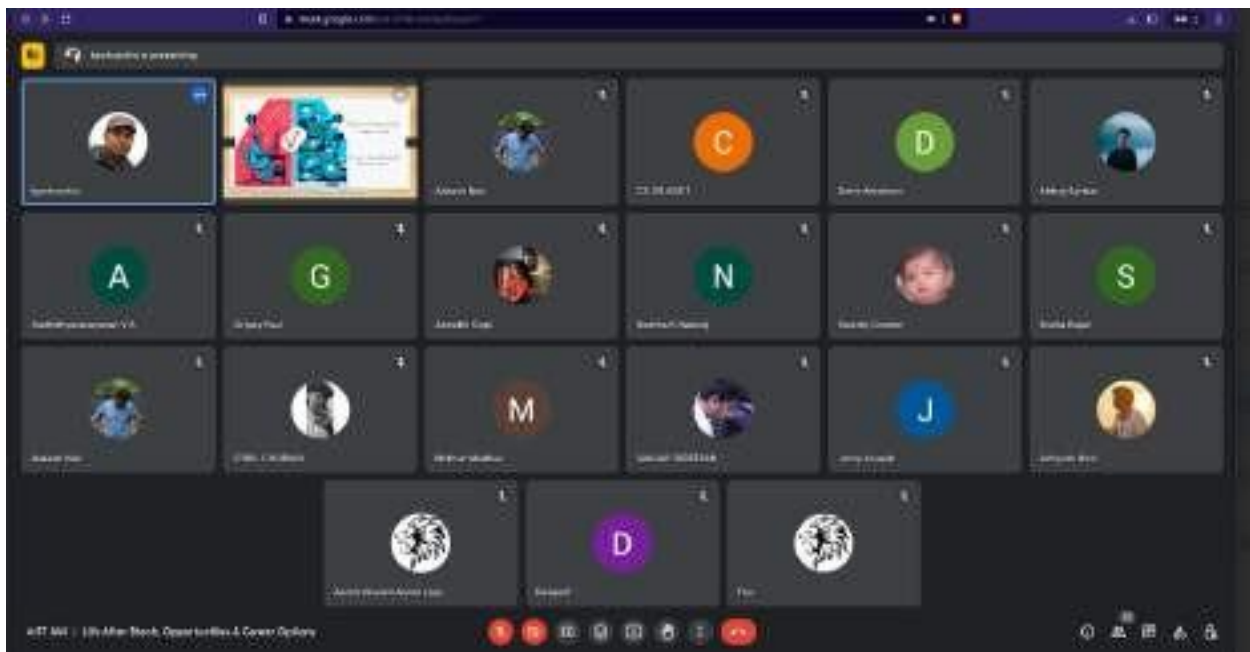

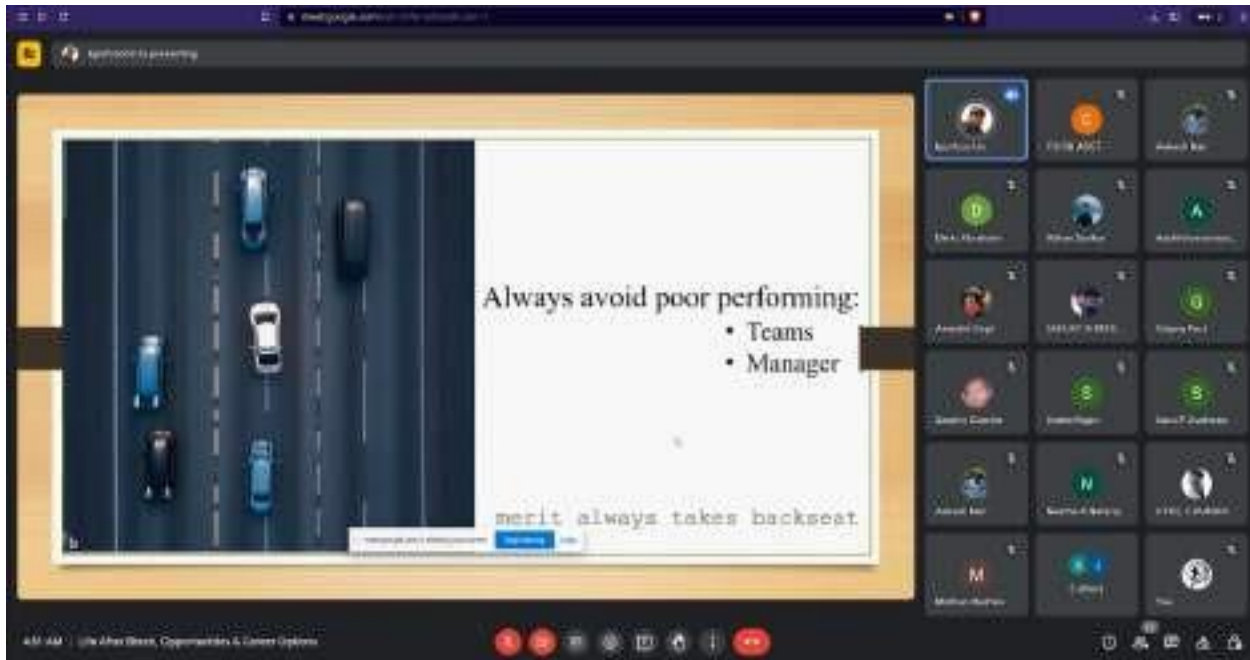

- ✓ < 1-2 years after B Tech
- ✓ Mode: Weekend classes if you want to stick to industry or else regular classes are preferred.

MBA:

- ✓ < 1 > 3 years of work experience in the domain where you want to pursue your course
- ✓ Mode: regular if possible

The slide also features an image of a graduation cap on top of a stack of books and a rolled-up diploma. To the right of the slide is a grid of 18 participant icons. At the bottom of the Zoom window, there are control icons for mute, video, chat, and other functions.
